Into the Streets Service Event

This Saturday, Nov. 7, Golden Key and many other campus organizations will be participating in Into the Streets starting at 9 a.m.

Into the Streets is an annual university-wide community service project sponsored by the Student Government Association. Students provide service to the elderly and disable citizens in Stillwater, Okla. Typical services required include yard cleaning and fall leaf removal, painting, gardening, and simple home repairs.

Participating students need to meet at 8:45 a.m. on Gunderson Lawn across from Morrill Hall. Breakfast is provided and work assignments are handed out. Be sure to wear appropriate clothing for outdoor labor.

Pizza is provided for lunch on Gunderson Lawn, and the event ends at approximately 2 p.m.

Halloween Carnival Recap

This year, Golden Key participated in the Halloween Carnival in the Student Union atrium, Friday, Oct. 30.

The Golden Key officers created an informational booth called “Name That Bone,” where kids labeled parts of a skeleton. Younger kids made lollipop ghosts.

The event, which lasted from 5 - 8 p.m. was a great success, with more than 100 kids, aged 3 to 12, stopping by the booth.

The Halloween Carnival is an annual event sponsored by the Student Union Activities Board, and is a great way to create a safe Halloween atmosphere for kids in the Stillwater community.
Meeting Icebreaker

Find another member who fits each of the categories listed below.

1. You have read all seven Harry Potter books
2. You lost a bet over the OSU v. Texas football game last weekend
3. Your birthday is on a holiday
4. You have never been inside Gunderson Hall
5. This is your first Golden Key meeting
6. You are from out-of-state
7. You have an unusual pet
8. Your favorite hobby is reading
9. You work on campus
10. You have traveled abroad
11. You are an only child
12. You are an officer in another club
13. You are graduating this semester
14. You play an instrument
15. Find someone else from your college or department

Meet Your Alumni Liaison

Stephanie is a news editorial journalism junior from Liberal, Kansas. She has chosen her second major to be pre-pharmacy. Stephanie is an ambassador for the School of Journalism and Broadcasting and is also a member of Alpha Epsilon Delta, the national health pre-professional honor society.

She works at the Walgreens in Edmond, Okla. as a Pharmacy Technician, which she says she loves. Her favorite thing to do is hang out with her friends and to read as much as she can.

As alumni liaison, Stephanie keeps Golden Key alumni up-to-date on chapter activities.

Social Networking

Looking to interact more with Golden Key members? Look no further than Golden Key's social networking initiatives, which will launch you in the right direction.

Golden Key's Facebook application allows members to stay active within the Society through scholarships, leadership, service and academic opportunities.

Our chapter uses Facebook as a tool to post upcoming events and chapter ideas and to interact with other Golden Key members across the globe.

The Golden Key WordPress blog is updated weekly with chapter highlights, member benefits, videos and much more. Twitter updates showcase the most current headquarters news, allowing you to stay connected within the Society.

We invite all members to join the OSU Golden Key Facebook group to stay up-to-date with chapter social events and service opportunities.
